
The Company

DT Services and Consulting is a company dedicated to all projects related to continuous improvement, with a focus on proactivity, polyvalence, and autonomy.

Founded in 2019 by Thibault Draye in Liège, DTSC can offer to their clients the most dedicated service in Continuous Improvement project. We now serve customers all over the BeNeLux and France. In this context, we are continuously looking for new profiles to strengthen our teams.

Main responsibilities

- Utilize advanced data mining and machine learning techniques to analyze large datasets and extract actionable insights.
- Develop predictive models, algorithms, and statistical analyses to solve complex business problems and drive decision-making.
- Collaborate with cross-functional teams to identify opportunities for leveraging data to improve processes, products, and services.
- Design and implement data visualization dashboards and reports to communicate findings and recommendations to stakeholders.
- Stay updated on industry trends and emerging technologies in data science and analytics, incorporating new tools and methodologies as appropriate.
- Drive innovation and continuous improvement in data science practices, contributing to the development of best practices and standards within the organization.
- Other duties as assigned

Qualifications

- Master's or Ph.D. degree in Computer Science, Statistics, Mathematics, or a related field.
- Minimum of 5 years of experience in a Data Scientist or similar role, with a proven track record of delivering impactful insights and solutions.
- Expertise in programming languages such as Python, R, or SQL for data manipulation, analysis, and modeling.
- Proficiency in machine learning frameworks and libraries such as TensorFlow, scikit-learn, or PyTorch.
- Strong analytical and problem-solving skills, with the ability to translate complex data into actionable insights.
- Excellent communication and presentation skills, with fluency in English, Dutch, and French (preferred).
- Entrepreneurial mindset with a passion for driving innovation and delivering value to clients.
- Ability to work independently and collaboratively in a fast-paced, dynamic environment, managing multiple projects simultaneously.

At DTSC, we advocate for entrepreneurial employment - a fusion of employee and entrepreneur mindsets. This innovative approach empowers individuals to drive their careers while fostering innovation and collaboration. As an entrepreneurial employee at DTSC, you'll have the opportunity to work on exciting projects, develop new skills, and shape your own professional journey. We provide support for your growth and offer tailored career paths that align with your interests and aspirations. Join us and experience the best of both worlds, combining the flexibility of freelancing with the security of a permanent contract.

With DTSC, you'll have the autonomy to seek your own clients, negotiate contracts, and manage your projects like a freelancer, while also enjoying the stability and benefits of a permanent position. Plus, you'll have access to the knowledge and experience of our talented team members, providing valuable mentorship and learning opportunities.

Our Offer

- A competitive and evolutive salary package including company car and benefits depending on your specific needs and your experience
- Because of our flexible working hours and homeworking possibilities you can say goodbye to traffic jams
- We will provide all the tools necessary to be successful in your job and foresee the necessary training so you can grow in your career
- Depending on your clients and preferences your main workplace will be Brussels or Liège with potential regular commute to the client location
- “A laugh a day keeps the doctor away!” Our employees work hard but they also play hard, hello afterwork drinks, company dinners, company day...
- We have an informal atmosphere with challenging international projects, the best of both worlds!

Interested?

Be sure to send us your CV, and let's chat about why our collaboration could be mutually beneficial today. We believe in learning from each other, and a cover letter just seems so last century!
