
The Company

DT Services and Consulting is a company dedicated to all projects related to continuous improvement, with a focus on proactivity, polyvalence, and autonomy.

Founded in 2019 by Thibault Draye in Liège, DTSC can offer to their clients the most dedicated service in Continuous Improvement project. We now serve customers all over the BeNeLux and France. In this context, we are continuously looking for new profiles to strengthen our teams.

Main responsibilities

- Lead and/or coach business critical Lean Six Sigma and/or Scrum-Agile projects to solve complex and transversal problems, leading and/or coaching complex investigations together with other technical experts at client location driving cross-functional problem-solving sessions; deliver lean improvements to transversal processes (both operational and support)
- Mentor potential belt candidates during the certification project and prepare them for the Tollgate reviews
- Enable appropriate Change Management on all required levels to ensure sustainable impact of DMAIC projects at client location.
- Develop client relationships, work on existing accounts to detect new opportunities and prospecting new accounts to present DTSC and growing our network
- Assess, shape, and deliver enterprise-wide solutions that help clients to launch products faster in the market, reduce complexity and costs, leverage modern solutions and tools, in the cloud and in their premises.
- Effectively communicate with all levels within an organization, from VP to Operator, in potential in a multicultural environment
- Other duties as assigned

Qualifications
